A fusion of ingenuity and practicality

MCG Windows & Doors Cavity Sliding Doors will revolutionise how outdoor and entertainment areas are designed.

Unlike traditional 'entertainment doors' such as stacker doors or bi-fold doors, our **Cavity Sliding Doors** truly provide unobstructed views and access.

Seamlessly gliding out of sight, they don't have fixed or folded panels blocking the view or access from inside to the outside.

Features and Benefits

- Multi-track system allows for flexibility in design and application
- Rounded box section interlocks and mullions prevent curtains from being damaged by sharp edges
- Euro track roller system ensures smooth sliding action
- Wider glazing pockets and double glazing capabilities for superior acoustic and thermal performance
- Handle has mortice lock for superior security
- Improved key positioning for easier operation
